

# OSHC Holiday Program

December 2021

*This year at HC we decided that we would collect some 'non-perishable' food items that we could donate to ADRA Australia, to help support families and individuals in need. We encourage you to send in some items with your child, that they can put in a hamper under the Christmas tree. On the last day of HC- an ADRA Staff member will come by to talk to the children about what ADRA does and what this donation will mean to the people who receive it.*
