

OSHC Holiday Program - updated

January 2022

New year, new skill. Here at Holiday Care we are all about growing our talents and discovering new talents. We have decided to run a Master Chef themed Holiday Care program. Almost everyday, we will try out new recipes and maybe even put our own spin on original recipes. At the end of Holiday Care we would have learnt over 5 new recipes.

Parents, please send your child to Holiday Care with an apron, just in case it gets really messy. Watch out world, we are going to have some Master Chefs in the making.
